Note to the first time visitor:

Illuminati Confessions was the second website of the Grand Master of the *Ordo Illuminatorum Universalis*

Leo Lyon Zagami and is here on leozagami.com reproduced in its entirety. It should be emphasized that it contains articles and material that reflect the state of affairs from the period of the end of 2006 to the beginning of 2008

and are not necessarily current and accurate at the present time with respect to Leo himself or the

Ordo Illuminatorum Universalis

.

So for all clarity, from the period 2006-2008, Leo did adhere to the Muslim faith and was also not working inside the Illuminati (he was then an ex-Illuminati/Illuminati whistle-blower). Since no later than May 2008 the situation has changed however as Leo has become an apostate Muslim and assumed the position as Grand Master of the Illuminati Order known as the *Ordo Illuminatorum Universalis* (OIU). Please take these considerations to heart before entering "Illuminati Confessions."
